– *3rd Annual “Reversing the Arrow” Conference on Entrepreneurship and Society*, August 2021

“Musings on Occupations and Technological Change”
– *Academy of Management Annual Meeting*, August 2021

“Measuring the Impact of University Research and Commercialization”
– *Academy of Management Annual Meeting*, August 2021

“Maintaining and Changing Categories: Applying a Practice Lens to Categorization Theory”
– *Academy of Management Annual Meeting*, August 2020

“Back to the Future: Technology Reemergence through the Lens of Music Synthesizers”
– *West Coast Research Symposium on Technology Entrepreneurship*, September 2019
– *Industry Studies Association Conference*, May 2017
– *Academy of Management Annual Meeting*, August 2016
– *Kauffman Emerging Scholars Conference*, October 2014

“‘Putting Players Out of Work’ or ‘Expanding the Fold’? Reassessing the Relationship between Technological and Occupational Change”
– *Academy of Management Annual Meeting*, August 2019

“Maintaining, Altering and Deconstructing Categories: How Do Practices Matter?”
– *Academy of Management Annual Meeting*, August 2019

“When the General Meets the Particular: The Practices and Challenges of Interorganizational Knowledge Reuse”
– *Academy of Management Annual Meeting*, August 2018

“Standing on [Transparent] Shoulders: Applying Open Source Approaches to Qualitative Management Research”
– *Academy of Management Annual Meeting*, August 2017

“Qualitative Research”

- *Academy of Management Annual Meeting*, August 2016

“Teaching Technology Commercialization”

- *Academy of Management Annual Meeting*, August 2016

“‘Who Are You?...I Really Wanna Know’: Product Identity and Competitive Positioning in the Nascent Synthesizer Industry”

- *Wharton Technology and Innovation Conference*, April 2016
- *Kauffman Emerging Scholars Conference*, February 2016

“Insider-Driven Change in Fields of Practice: The Case of Green Chemistry”

- *Academy of Management Annual Meeting*, August 2015
- *Sustainability, Ethics and Entrepreneurship Conference*, May 2015
- *Cascadia Conference on Entrepreneurship and Sustainability*, June 2014
- *West Coast Research Symposium on Technology Entrepreneurship*, September 2013

“Public Science, Private Science, and the Sharing of Scientific Know-How”

- *Industry Studies Association Annual Meeting*, May 2013

“‘A Yahoo with Values and a Brain’: Occupational Identity, Technological Change, and the Librarian-Internet Search Relationship”

- *West Coast Research Symposium on Technology Entrepreneurship*, September 2012
- *Academy of Management Annual Meeting*, August 2012

“Do Innovation Measures Actually Measure Innovation? Obliteration, Symbolic Adoption, and Other Finicky Challenges in Tracking Innovation Diffusion”

- *Academy of Management Annual Meeting*, August 2012
- *West Coast Research Symposium on Technology Entrepreneurship*, September 2011

“Analyzing Networks and Institutions Through the Lens of University Commercialization”

- *Academy of Management Annual Meeting*, August 2011

“Getting the Job Done: Coordinating Work through Helping Behavior”

- *Academy of Management Annual Meeting*, August 2011

“Putting Universities in Context: Assessing Different Views of the Production and Diffusion of University-Generated Knowledge”

- *Technology Transfer Society (T2S) annual conference*, November 2010
- *Roundtable on Engineering Entrepreneurship Research (REER)*, November 2010
- *Academy of Management Annual Meeting*, August 2010
- *Danish Research Unit on Industrial Dynamics (DRUID)*, June 2010
- *Tilburg Conference on Innovation*, June 2010

“Dissecting Diffusion: A Longitudinal Perspective on Multiple Pathways and Competing Norms in the Transfer of Know-How”

- *UC Davis Conference on Qualitative Research*, March 2010
- *Academy of Management Annual Meeting*, August 2009
- *European Group for Organization Studies (EGOS)*, July 2009

“Do Technology Transfer Metrics Distort Knowledge Transfer Processes? Assessing Different Views of the Production and Diffusion of University-Generated Knowledge”
