WORK EXPERIENCE

The Movement Enrichment Program   **Lynwood, CA**
Site Manager   *August 2019 – Present*

- Spearheaded the restructuring of the ELD program support system, increasing student participation by 20% and improving overall student proficiency levels by 10% within six months.
- Collaborated with high school administration and educators to develop a comprehensive data tracking system for monitoring student progress in math classes, resulting in a 15% increase in passing rates over the course of one semester.
- Developed and implemented a data tracking system that transformed site reporting, providing valuable insights to site administration and district officials for informed decision-making, resulting in a 30% increase in operational efficiency.

National College Resources Foundation   **Lynwood, CA**
Data Analyst   *March 2023- Present*

- Collaborated with cross-functional teams to streamline data access and sharing processes using Google Workspace, resulting in a 25% improvement in collaboration efficiency and a 10% increase in overall productivity.
- Conducted monthly data audits and quality assessments, identifying and rectifying discrepancies and anomalies to maintain data integrity, resulting in a 98% accuracy rate.
- Designed and implemented a new survey format that improved data accuracy by 15%, leading to more precise insights for decision-making processes.

Program Coordinator   *August 2021- August 2022*

- Collaborated with a team of educators to design and implement a new assessment tool for evaluating Peer Advisors' mathematical abilities, resulting in a more accurate measure of proficiency levels and a 15% increase in accuracy.
- Implemented a comprehensive tracking system to monitor the progress of Peer Advisors participating in the training program, leading to a 20% reduction in errors during peer advising sessions.
- Developed and executed a comprehensive needs assessment to identify gaps in employee knowledge and skills, resulting in a 20% increase in overall training effectiveness.

ACHIEVEMENTS

- Coordinated with district officials and school administrators to plan and execute an annual college expo for three consecutive years, resulting in over 700 college acceptances and $12.6 million in scholarships awarded to students.
- Successfully collaborated with school administration to achieve a graduation rate exceeding 90%, consistently meeting or surpassing performance goals.
- Achieved a 100% graduation rate for African American seniors since 2015, demonstrating a strong commitment to equity and inclusivity in educational outcomes.
- Led a complete revamp of data collection and analysis procedures, advocating for the implementation of advanced methodologies across the organization to support evidence-based decision-making and promote ongoing improvement initiatives.
