

## L. Zachary DuBois, Ph.D.

### Curriculum Vitae

Department of Anthropology  
1218 University of Oregon  
Eugene, OR 97403

Office: Condon 355  
Tel. (541) 346-5038  
[zdubois@uoregon.edu](mailto:zdubois@uoregon.edu)

---

#### ACADEMIC APPOINTMENTS

---

- 2018 – present**      **Assistant Professor**  
Department of Anthropology  
University of Oregon
- 2015 – 2018**      **Assistant Professor**  
Department of Anthropology  
California State University Long Beach
- 2013–2015**      **Postdoctoral Fellow**  
Department of Anthropology  
University of Massachusetts Boston  
Project: *The Price of Debt: The Unequal Burden of Financial Debt and Its Impact on Health*  
Advisor: Dr. Elizabeth Sweet
- 2012 – 2013**      **Postdoctoral Fellow**  
IMPACT: The LGBT Health and Development Program  
Department of Medical Social Sciences, Northwestern University  
Feinberg School of Medicine  
Project: *Guy2Guy: HIV-prevention program for GBQ adolescent men.*  
Advisor: Dr. Brian Mustanski
- 

#### EDUCATION

---

- 2012**      **Ph.D., University of Massachusetts Amherst**  
Department of Anthropology  
Dissertation Title: *Biocultural Perspectives on Gender, Transitions, Stress, and Immune Function.*  
Committee Chair: Dr. Lynnette Sievert  
Jacqueline Urla, Sally Powers  
*Passed with distinction*
- 2006**      **MA, University of Massachusetts Amherst.**  
Department of Anthropology  
Project: *Validating women's subjective signals of fertility: A study among women in London, UK & Western MA, USA.*  
Committee Chair: Dr. Lynnette Sievert  
*cum laude*
- 2002**      **BA, University of Massachusetts Amherst**  
Department of Anthropology  
*cum laude*

**PEER REVIEWED PUBLICATIONS** \*Indicates graduate student, underline indicates undergraduate

- In press **DuBois, L.Z.**, Langer, S.J., Puckett, J. Development of the Gender Embodiment Scale: Trans Masculine Spectrum. *Transgender Health*.
- 2021 **DuBois, L.Z.**, \*Gibb, J., Juster, R.P., Powers, S.I. Biocultural approaches to transgender and gender diverse experience and health: Integrating biomarkers and advancing gender/sex research. Invited article for Special Issue of *American Journal of Human Biology*, e23555.
- 2020 \*Gibb, J. K., **DuBois, L. Z.**, Williams, S., McKerracher, L., Juster, R. P., & Fields, J. (2020). Sexual and gender minority health vulnerabilities during the COVID-19 health crisis. *American Journal of Human Biology*, 32(5), e23499.
- 2020 Rich, A.J., Williams, J., Malik, M., Wirtz, A., **DuBois, L.Z.**, Juster, R.J., Lesko, C., Davis, N., Althoff, K.N., Cannon, C., Mayer, K., Elliot, A., Poteat, T. Biopsychosocial mechanisms linking gender minority stress to HIV co-morbidities among Black and Latina transgender women (LITE plus): protocol for a mixed methods longitudinal study. *JMIR Research Protocols*, 9(4), e17076.
- 2019 Puckett, J., **DuBois, L.Z.**, McNeil, J., Hanson, C. The Association between Social Dominance Orientation and Negative Beliefs about Transgender People: Critical Consciousness as an Underlying Mechanism. *Journal of Homosexuality*. Epub ahead of print: May 7.
- 2019 Juster, R.P. Doyle, D.M., Hatzenbuehler, M.L., Everett, B.G., **DuBois, L.Z.**, & McGrath, J.J. Sexual orientation, disclosure and cardiovascular stress reactivity. *Stress*. May 22 (3): 321-331.
- 2018 Sweet, E., **DuBois, L.Z.**, Stanley, F. Embodied Neoliberalism: Epidemiology and the Lived Experience of Consumer Debt. *International Journal of Health Services*. 48(3):495-511
- 2017 **DuBois, L.Z.**, Powers, S., Everett, B. & Juster, R.P. Stigma and diurnal cortisol among transitioning transgender men. *Psychoneuroendocrinology*, 82:59-66.
- 2017 Reisner, S.L., Randazzo, R.K., White, J.M., Peitmeier, S., **DuBois, L.Z.**, Pardee, D. J., Marrow, E., Potter, J. Sensitive health topics with underserved patient populations: Methodological considerations for online focus discussions. *Qualitative Health Research*: 1-16.
- 2016 Prescott T.L., Phillips G., **DuBois, L.Z.**, Bull, S., Mustanski, B., Ybarra, M.L. Reaching Adolescent Gay, Bisexual, and Queer Men Online: Development and Refinement of a National Recruitment Strategy. *Journal of Medical Internet Research*, 18(8).
- 2015 **DuBois, L.Z.**, Macapagal, K., \*Rivera, Z., Ybarra, M., Mustanski, B. (2015) Sexual decision-making among adolescent gay and bisexual men: A mixed-methods study. *Archives of Sexual Behavior*, 44 (7): 2027-2040.
- 2014 Ybarra, M., **DuBois, L.Z.**, Parsons, J.T., Prescott, T. L., Mustanski, B. Focus groups as an HIV prevention among gay, bisexual, and queer adolescent males. *AIDS Education and Prevention*, 26 (6): 554-564.

- 2014 Mustanski, B., **DuBois, L.Z.**, Prescott, T., Ybarra, M. Condom use decision-making among adolescent gay and bisexual males. *AIDS and Behavior*, 18 (10): 1955-1969
- 2012 **DuBois L.Z.** Associations between transition-specific stress experience, nighttime dip in blood pressure, and C-reactive protein levels among transgendered men. *Am J Human Biology*, 24(1): 52-61.
- 2005 Sievert, L.L. and **C. DuBois**. Validating subjective signals of ovulation. *Am J Human Biology*, 17:310-32.

---

**MANUSCRIPTS - Under Review** \*Indicates graduate student, underline indicates undergraduate

---

**DuBois, L.Z.** & H. Shattuck-Heidorn. Challenging the Binary: Gender/Sex and the Bio-logics of Normalcy. Invited article for Special Issue of *American Journal of Human Biology*. Submitted October 2020. Invited to revise and resubmit Dec 2020.

Puckett, J.A., \*Hanson, C., \*Dunn, T., \*Kuehn, K., **DuBois, L.Z.** An Examination of Predictors of Prejudice against Transgender Individuals. Submitted to *Journal of Homosexuality* in November 2020.

---

**COMPETITIVE RESEARCH SUPPORT (FUNDED)**

---

**External Support**

- 2020 NIH National Institute of Health Disparities R21 (Co-Investigator): *Measure Development to Advance the Scientific Study of Minority Stress in Transgender Individuals* (PI Puckett, MSU). R21MD015909: \$191,539
- 2020 Canadian Institute of Health (Collaborator) Sex and Gender Science Chair: LGBTQ1 Wellness and Resilience. (R. Juster U Montreal PI) \$699,000 CAD
- 2019 NIH Health Disparities LRP Awarded For project (Principial Investigator): *Examining health and resilience among trans people across geopolitical locations*. Oct 2019 – Oct 2021. \$58,916.47
- 2019 Mitacs Globalink Research Award. Host supervisor for University of Toronto MA student (James Gibb) for supervised assistance on my project: *Examining health and resilience among trans people across geopolitical locations in the U.S* (PI DuBois). Student will conduct research at UO Oct-Feb 2019. \$6,000
- 2018 National Institute on Minority Health and Health Disparities. R01MD013498-0. (Scientific Advisor). *Biopsychosocial Mechanisms Linking Gender Minority Stress and HIV Co-Morbidities*. (T. Poteat, Johns Hopkins, PI) Sept 2018- Aug 2023.
- 2013 Philadelphia Trans Health Conference Travel Award \$500
- 2008 Williams Institute Research Grant from The Williams Institute of UCLA, \$3,000
- 2008 National Science Foundation Dissertation Improvement Grant #0751969, \$15,000

**Internal Support**

- 2018 Internal Research Grant for Course Release for Fall 2019. CSULB
- 2017 Professors Around the World (PAW) Grant (Co-I). For study abroad course development
- 2017 BUILD (NIH) Mid-Sized Equipment Grant (PI-Urizar) for biomarker lab construction
- 2017 Internal Research Grant to fund full-time semester graduate RA. CSULB
- 2017 Scholarly Intersections Grant, *Retirement Planning Experiences of LGBT Adults* (PI Ouardani).

- 2017 Summer Stipend for full-time summer research. CSULB.
- 2017 College of Liberal Arts Faculty Travel Award. CSULB \$2,000
- 2016 Internal Research Grant to fund full-time semester graduate RA. CSULB
- 2016 College of Liberal Arts Faculty Travel Award, CSULB \$2,000
- 2010 Graduate School Travel Grant, U of Massachusetts Amherst \$1,000
- 2009 Graduate School Travel Grant, U of Massachusetts Amherst \$1,000
- 2009 University Fellowship, U of Massachusetts Amherst \$12,000
- 2004 European Studies Grant for research abroad for MA research, \$2,500

---

### **COMPETITIVE RESEARCH SUPPORT (Under Review)**

---

NIH National Institute of Health Disparities R01 (Co-Investigator); *Minority Stress and Coping in Transgender individuals: Discovering biological, cognitive, and behavioral pathways through which stress impacts mental health.* (J. Puckett, MSU, PI) \$3,910,435.96, with UO 5-year subaward \$355,738

---

### **FELLOWSHIPS AND AWARDS**

---

- 2021 Michael A. Little Early Career Award. Human Biology Association.
- 2021 Institute of Advanced Studies Visiting Fellow. University of Loughborough. May-June 2021.
- 2021 Festival of Ideas: Transitions. Invited Fellow. University of Loughborough. May-June 2021.
- 2010 E.E. Hunt Award for best student presentation: “Stress response and immune function during sex transition: perceived stress, ambulatory blood-pressure and immune function among transgender men.” Human Biology Association. Santa Fe, NM.
- 2009 University Fellowship, U of Massachusetts Amherst Graduate School, \$12,000
- 2009 George Armelagos Award for excellence in Medical Anthropology, U of Massachusetts Amherst.
- 2005 George Armelagos Award for excellence in Medical Anthropology, U of Massachusetts Amherst.

---

### **TEACHING EXPERIENCE**

---

#### **University of Oregon**

- Anth 362: Human Biological Variation (Winter 2019, Fall 2019, Spring 2020, Fall 2020)
- Anth 610: Qualitative Data Analysis (Fall 2020, Spring 2020)
- Anth 610: Mixed-methods Data Analysis (Spring 2019)

#### **California State University Long Beach (CSULB)**

- Anth 110 Introduction to Biological Anthropology (Fall 2016)
- Anth 319 Human Growth & Development (Course Designer Fall 2015, Spring 2016, Fall 2016, Spring 2017, Fall 2017)
- Anth 353 Health & Healing: Sensory embodiment and therapeutic landscapes (Course Designer/Summer 2018 Study Abroad in Bulgaria)
- Anth 353 Health & Healing: Medical Anthropology, sensory perception & health. (Course Designer/Honors course Spring 2018)
- Anth 471 Human Evolution (Spring 2016)
- Anth 490/550 Anthropology of the Gendered Body (Course Designer Spring 2017)
- Anth 561 Graduate Research Methods and Software Applications in Anthropology

(Course Designer Fall 2015, Fall 2017)

**University of Massachusetts Amherst (UMA)**

Anth 105 Introduction to Biological Anthropology (Fall 2014)

**Field Schools and Study Abroad**

Summer 2018 CSULB - Health & Healing: Sensory embodiment and therapeutic landscapes. Course Designer – Bulgaria

Summer 2017 Ethnoprimateology Field School (Dir. Loudon and Howells) Bali, Indonesia

Summer 2015 UMA-Biocultural Anthropology Field School: (Dir. Dr. Himmelgreen & Romero-Daza) Online component, Monteverde Institute, Costa Rica)

Summer 2015 Faculty trip advisor, Community Engagement/Service Learning Trip, Puerto Rico.

---

**OTHER PROFESSIONAL EXPERIENCE**

---

2010-2011 Academic Advisor for undeclared majors, Office of Undergraduate Advising, U of Massachusetts Amherst.

2010-2011 Instructor, Preparing for Success in College. Seminar for undeclared majors, U of Massachusetts Amherst.

2004-2008 Teaching Assistant, U of Massachusetts Amherst. Introduction to Biological Anthropology: Human Origins and Variation, Introduction to Cultural Anthropology, and Archaeology and Prehistory.

2006 Research Assistant, NIH subcontract for Giner, Inc. “Testing a miniaturized, wearable skin conductance monitor for hot flashes.” In collaboration with Lynnette Sievert and Linda Templeman (PI).

2003 Research Assistant, Wenner-Gren Foundation for Anthropological Research. “Do women who think they know really know? Validating signals of ovulation.” In collaboration with Lynnette Leidy Sievert (PI).

---

**INVITED LECTURES AND WORKSHOPS**

---

\* **Indicates workshop run with student co-lead**

---

2020 Annual McCurdy Distinguished Lecture, “Transgender experience in the U.S.: Understanding stigma, stress, and biologies of resilience.” Macalester University

2019 Society of Advanced Research, “Biological Normalcy: Investigating relationships between statistical norms and normative views.” Invited participant - NSF funded workshop (Organized by A. Wiley). Sante Fe, NM October 28-Nov 1, 2019.

2019 Critical Biocultural Anthropology: New Directions: Expanding Theory and Method in Critical Biocultural Anthropology. Invited panelist (Organized by T. Leatherman). Engaging Anthropology Conference. University of Massachusetts Amherst.

2019 Disentangling Power Dynamics: Participatory Action Research Methods & Ethical Considerations. Human Biology Association. Invited panelist. Cleveland, OH.

2018 Applying biocultural mixed-methods approaches to understand marginalization and stigma among transgender men in the U.S. “Integrating biosocial perspectives to understand health disparities across the lifespan.” Invited plenary presentation. Human Biology Association Annual Meeting.

2017 Introductory workshop for using Dedoose software for Qualitative and Mixed-Methods Social Science Research. Invited workshop. BUILD program. CSULB. With Undergraduate student T. Walker\*.

2017 Introductory workshop for using Dedoose software for Qualitative and Mixed-Methods

- Social Science Research.. Indiana University–Purdue University Indianapolis & University of South Florida, Tampa
- 2017 Gender Strain & the Biology of Resilience: Applying a biocultural approach to understand the experience of gender transition among transgender men. Invited lecture. Department of Anthropology, Indiana University–Purdue University Indianapolis.
- 2017 Gender Strain & the Biology of Resilience: Applying a biocultural approach to understand the experience of gender transition among transgender men. Invited lecture. Department of Anthropology, University of South Florida, Tampa.
- 2017 Introductory workshop for using Dedoose software for Qualitative and Mixed-Methods Social Science Research. Invited workshop. University of South Florida, Tampa.
- 2016 Introductory workshop for using Dedoose software for Qualitative and Mixed-Methods Social Science Research. BUILD program CSULB. With graduate student Ambyr Hardy\*.
- 2013 Improving Trans inclusivity and sensitivity in LGBT research: Lessons learned from the Philadelphia Trans Health Conference. IMPACT Program in LGBT Health and Development, Department of Medical Social Sciences, Northwestern University.
- 2012 Biocultural Perspectives on Gender, Transitions, Stress, and Immune Function. IMPACT Program in LGBT Health and Development, Department of Medical Social Sciences, Northwestern University.

---

### GUEST LECTURES

---

- 2021 UGST 112 Topics in Health Science ARC, University of Oregon
- 2019, 2020 Human Biological Variation, University of North Carolina, Wilmington
- 2019 INTL 340 Global Health, University of Oregon
- 2018, 2019 ANTH 315 Gender, Folklore, & Inequality, University of Oregon
- 2018, 2021 INTL 607 Research Design and Qualitative Methods, University of Oregon
- 2018 Human Development, California State University Long Beach
- 2017 Research Methods in Psychology, California State University Long Beach
- 2016 Medical Anthropology, California State University Long Beach
- 2014 Social Determinants of Health, University of Massachusetts Boston.
- 2013 Social Determinant of Health, Northwestern University.

---

### CONFERENCE PRESENTATIONS & PUBLISHED ABSTRACTS \*Indicates student co-author.

---

- 2019 **DuBois, L.Z.**, Langer, S.J., Puckett, J. Development of the Gender Embodiment Scale: Trans Masculine Spectrum. National Transgender Health Summit. Oakland, CA.
- 2019 **DuBois, L.Z.**, Juster, R.P., \*Gibb, J., \*Walker, T., Powers, S.I. Key questions and future directions: Integrating biomarkers to understand (trans) gender experience and health disparities. *American Journal of Physical Anthropology* 168, 63-63. Cleveland, OH. Invited Session.
- 2019 **DuBois, L. Z.** & Juster, R. P. Geopolitical and psychosocial indicators of perceived distress, mental health, and allostatic load among transgender men. 77<sup>th</sup> Annual Scientific meeting of the American Psychosomatic Society, Vancouver, British Columbia, Canada
- 2018 **DuBois, L.Z.**, Langer, S.J., Puckett, J. Gendered Experiences: Development of a Scale to Assess Body and Behavior Satisfaction for Trans Masculine People. National LGBTQ Health Conference. Northwestern University, Chicago, IL.
- 2017 **DuBois, L.Z.**, \*Walker, T., \*Guerro, N., Schryer E. Blood Pressure Variability Across Situational Environments Among Transgender Men with Transition-Related Social Stress. *Am J Human Biology* Human Biological Association Annual Meeting.
- 2017 **DuBois, L.Z.**, \*Pedro, P.C. & \*Walker, T.L. A Proposal for Mixed Methods Analyses of

- Transgender Men's Coming Out Experiences. Presentation at the BUILD Summer Symposium, California State University, Long Beach.
- 2017 \*Hardy, A. & **DuBois, L.Z.** Identities and Communities in Transition:Examining the shared social support experiences of transgender men and urban mothers. Society for Applied Anthropology Annual Meeting.
- 2017 \*Walker, T.L, \*McNeill, J.N., \*Hardy, A., **DuBois, L.Z.** Psychosocial Stress Experience Among Transgender Men: Gender Affirmation and Social Identity Management in Early Transition. U.S. Association for Transgender Health Annual Conference.
- 2016 \*McNeill, J.N., \*Hardy, A., **L. Z. DuBois.** Not ‘Trapped:’ Trans Narratives Challenging Common Understandings of Gender Dysphoria. Society for Applied Anthropology Annual Meeting.
- 2016 \*McNeill, J., \*Hardy, A., \*Walker, T., **DuBois, L.Z.** A literature review examining social support and mental health among gender and sexual minorities. BUILD Symposium CSULB.
- 2016 \*Walker, T., \*Hardy, A., **DuBois, L.Z.** Psychosocial Stress Experience Among Transgender Men: Gender Affirmation and Social-Identity Management Early in Transition. BUILD Symposium CSULB.
- 2016 **DuBois, L.Z.,** Everett, B., Puckett, J.A., Juster, R.P. & Sievert, L. Body and behavior satisfaction predict depression and anxiety among trans men. Presentation at the World Professional Association for Transgender Health. Amsterdam, Netherlands.
- 2016 **DuBois, L.Z.,** Everett, B. & \*Capello, E. My Body Belongs to Me: Transitional experiences and mental health. Presentation at the Philadelphia Trans Health Conference. Philadelphia, PA.
- 2016 **DuBois, L.Z.,** Juster, R.P., Everett, B. & S. Powers. Stigma and diurnal cortisol among transitioning transgender men. Psychoneuroendocrinology Annual Meeting, Miami, FL.
- 2016 \*Hardy, A. & **DuBois, L.Z.** Identities and Communities in Transition:Examining the shared social support experiences of transgender men and urban mothers. Graduate Symposium. CSULB.
- 2015 Sweet, E.S., Stanley, F. & **DuBois, L.Z.** Debt, Stress, and Opportunity: The double-edged nature of debt in a Boston community. Presentation at the Society for Applied Anthropology annual meeting. Vancouver, BC.
- 2015 Stanley, F., **DuBois, L.Z.,** and Sweet, E.S. Qualifying for the American Dream: The Burden of Debt and Its Impact on Health and Well-Being. Paper presentation at the American Anthropological Association. Denver, CO.
- 2014 Sweet, E.S. and **DuBois, L.Z.** The unequal burden of debt and its impact on health. Poster presentation at the Community-Engaged Partnerships Symposium, Boston MA.
- 2013 **DuBois, Z.,** Ybarra, M., Prescott, T., Mustanski, B. Tailoring HIV-prevention to meet the needs of gay, bisexual, and queer adolescent males: Online focus groups as an innovative tool for participatory research. Poster presentation at the LGBTQ Health and Wellness conference. Chicago, IL.
- 2013 \*Rivera, Z., Macapagal, K., **DuBois, Z.,** Ybarra, M., Prescott, T., Mustanski, B. Outness and feelings of isolation among rural and urban gay, bisexual, and queer adolescent males: A mixed-methods study. Poster presentation at the LGBTQ Health and Wellness conference. Chicago, IL.
- 2013 Prescott, T., Mustanski, B., **DuBois, L.Z.,** Ybarra M. Developing an HIV prevention text messaging-based intervention for adolescent gay, bisexual, and queer men: Online focus groups to confirm program components. International AIDS Impact Conference. Barcelona, Spain.
- 2013 Prescott, T., Ybarra M., **DuBois, L.Z.,** Parsons, J., Bull, S., Mustanski, B. Focus groups

- as a healthy sexuality intervention among gay, bisexual, and queer adolescent males. International AIDS Impact Conference. Barcelona, Spain.
- 2013 **DuBois**, L.Z. “Transition-Specific Stress Experience and Salivary Cortisol Levels Among Transgender Men. WPATH Symposium at the Philadelphia Trans Health Conference. Philadelphia, PA.
- 2013 **DuBois**, L.Z., Mustanski, B., Ybarra, M. “Using online focus-groups to tailor a text message based HIV-prevention project for adolescent men who have sex with men (AMSM).” Annual conference on Youth, Tech, and Health (YTH). San Francisco, CA.
- 2013 Mustanski, B., **DuBois**, Z., Ybarra, M. “Using online focus-groups to tailor a new text message based HIV-prevention project to meet the needs of adolescent men who have sex with men (AMSM).” Poster presentation at the International Society for Research on Internet Interventions (ISRII) 6th Scientific Meeting, Chicago, IL.
- 2012 Levasseur, M.D. and **DuBois**, L.Z. “Casualties of a broken system: How the transgender community has been harmed and legal strategies to change our future. Gay Lesbian Medical Association. San Francisco, CA.
- 2011 **DuBois**, Z. The relationship between transitioning identity stress, perceived stress and salivary cortisol levels during female to male sex transition. *Am J Human Biology*. Human Biology Association Annual Meeting.
- 2011 **DuBois**, L.Z. “Circulating hormones, transitioning bodies and changing identities: a study of the stages of change of transmen using hormonal therapy.” American Anthropological Association. New Orleans, LA.
- 2010 **DuBois**, L.Z. Workshop panelist. Queer Sexuality and Gender Conference. Hampshire College, Amherst, MA.
- 2010 **DuBois**, L.Z. Stress response and immune function during sex transition: perceived stress, ambulatory blood pressure and immune function among transgendered men. *Am J Human Biolog*. Human Biology Association Annual Meeting.
- 2009 **DuBois**, L.Z. Stress response and experience during major life transitions: A study of transgendered men using hormonal replacement therapy. *Am J Human Biology*. Human Biology Association Annual Meeting.
- 2009 **DuBois**, L.Z. “Shifting Identities within the Binary of Sex: Identity management, stress, and resilience among transgender men.” American Anthropological Association. Philadelphia, PA.
- 2008 **DuBois**, L.Z. “Shifting the boundaries of sex: A biocultural perspective on the experience and stress of sex-transition.” American Anthropological Association. San Francisco, CA.
- 2005 **DuBois**, C., Kennedy, K. Sievert, L.L. and G.R. Bentley. Variation in ovulatory signals between women who either do, or do not, use natural fertility methods. *Am J Human Biology*. Human Biology Association Annual Meeting.
- 2005 Kennedy, K., **DuBois**, C., McGarrigle, H., Sievert, L.L. and G.R. Bentley. Qualitative vs. Quantitative assessments of self-reported ovulation in London women. *Am Human Biology*. Human Biology Association Annual Meeting.
- 2004 Sievert, L.L. and **DuBois**, C. Validating subjective signals of ovulation [Abstract]. *Am J Phys Anthro*, suppl 38: 181-2. Human Biology Association Annual Meeting.
- 2004 **DuBois**, C. and LL Sievert. Windows of opportunity: how women think they know when they ovulate. *Am J Human Biology*. Human Biology Association Annual Meeting.
- 2004 **DuBois**, C. “How do they know? Understanding women’s detection of ovulatory signals through a biocultural approach.” Anthropology Seminar, U of Massachusetts Amherst.
- 2003 **DuBois**, C. “Windows of Opportunity: How women know when they ovulate” Anthropology Seminar, U of Massachusetts Amherst.

---

**PROFESSIONAL SERVICE, CONSULTANCIES, & MENTORSHIP**

---

2020 -	Human Biology Mentor – Community Building and Networking Program
2017-2018	Human Biology Association Program Committee
2016-2018	NIH-Certified Mentor through Building Infrastructure Leading to Diversity Program (BUILD). CSULB. Program for mentoring undergraduates in research.
2016	Philadelphia Trans Health Conference (Transmasculine) Program Committee
2015	Consultant, NIH/NIMH Grant R01 MH096660-01A1, Harnessing the power of text messaging to invigorate AMSM HIV preventive behavior. (Dual PI's: Brian Mustanski, Northwestern University and Michele Ybarra, Center for Innovative Public Health Research).
2014-2017	Consultant, Patient Centered Outcomes Research Institute (PCORI) grant CER-1403-12625, Trans Masculine Sexual Health Collaborative: Preventive sexual health screening among female-to-male (FTM) transgender adult patients. (PI: Sari Reisner, Harvard School of Public Health & Fenway Institute).
2014 – 2015	Consultant, 1F32DA038557-01, Ruth Kirschstein National Research Service Award (NRSA), Predictors of Substance Use and HIV Risk in Transgender Men and Women. (PI: Jae Puckett, Northwestern University).

Ad Hoc Reviewer: *LGBT Health, Sexuality Research and Social Policy, American Journal of Human Biology, Social Science and Medicine, Hormones and Behavior, Journal of Homosexuality, Archives of Sexual Behavior, and Forensic Anthropology*

---

**DEPARTMENTAL SERVICE**

---

2018-Present	Departmental Community Committee (U. of Oregon)
2017-2018	Resources Committee (CSULB)
2016-2018	Undergraduate Committee (CSULB)
2015-2018	Library Representative (CSULB)
2015-2017	Curriculum Committee (Chair 2015-16) (CSULB)

---

**GRADUATE STUDENT COMMITTEE ROLES**

---

Kelsi Kuehn	2020-present	PhD Chair	UO, Anthropology
Holly Moulton	2021-present	PhD Member	UO, Environmental Studies
Devon Kimball	2021-present	MS Member	MSU, Clinical Psychology
Kalei Glozier	2021-present	MS Member	MSU, Clinical Psychology
Tian Walker	2018-present	MS Chair	UO, Anthropology
Alexandra Stohs	2018-2020	MS Member	CSULB, Anthropology

---

**SPECIALIZED TRAINING & PROFESSIONAL DEVELOPMENT**

---

2019	TEP workshop: Online teaching. University of Oregon.
2017	NIH Mentor Certification – National Research Mentoring Network & Building Infrastructure Leading to Diversity Program, CSULB.
2016	BUILD Intercultural Workshop, CSULB
2016	Intermediate SPSS Training, BUILD
2016	Diary Method Data Collection Training, BUILD
2015	Learning Outcomes Workshop, CSULB
2015	Teaching & Learning in a Diverse Campus Community, CSULB
2015	Efficient & Effective Course Preparation Strategies, CSULB
2013	Workshop on Biomarkers in Population-Based Health and Aging Research: Biosocial Study of Health and Aging in LGB and HIV Affected Populations,” University of Chicago, IL.

- 2012 ICPSR Summer Program: Quantitative Methods of Social Research, U of Michigan.  
2010 Fenway Institute's Summer Institute LGBT Population Health, Data analysis. Boston, MA.  
2010 Salimetrics "Spit Camp" Training in the collection and analysis of salivary biomarkers, PA.  
2009 Center for Population Research in LGBT Health Mentee. The Fenway Institute, Boston.  
2008 Summer Biomarker Institute of Cells to Society. Northwestern University, Chicago, IL.
