## EXPERIENCE

HEAD OF DIGITAL RESOURCES

*Source, January 2020 - Current*

Responsible, from the very first product uploaded, for designing systems and processes for organizing, evaluating, and uploading vast volumes of product data to website. Work with manufacturers to coordinate collection and transfer of product data. Manage team of resource experts. Collaborate with leadership team to determine scope of new projects, as well as strategic vision of the company.

DIRECTOR OF DIGITAL + LIBRARY RESOURCES

*Source, March 2018 - December 2019*

Managed Source material library and team of product experts. Met with several product reps each week to learn about their products and onboard to the Source physical and digital material library. Developed systems to better serve Source OAC clients, including Rep Finder and Research Request features.

JUNIOR INTERIOR DESIGNER

*Czopek Design Studio, July 2017 - October 2018*

Maintained and updated material library. Developed program documents, conducted test fits, and generated multiple space plan options for office environments. Assisted in the development of 2D and 3D media for project presentations. Coordinated furniture selection and specification.

JUNIOR DESIGNER

*BCV Architects, January 2017 - July 2017*

Assisted in the development of 2D and 3D media for project presentations. Worked with project team to complete construction drawing sets. Managed sample library, and interfaced with product reps. Created FF&E schedules and specifications. Selected, sourced, and organized material samples for project presentations.

GRADUATE TEACHING FELLOW

*University of Oregon, September 2015 - December 2015*

Assisted professor in course organization and management. Taught course help sessions to assist students with design projects and assignments. Evaluated and graded student design work.
