FIELD AND RESEARCH EXPERIENCE

2024-Present Research Associate, Historical Ecology, Archaeology, and Climate Change Program, Amah Mutsun Land Trust

Principal Investigator/Field Director, Indigenous Archaeology Field Methods Field School (2024): Directed integrative cultural resource survey and archaeological excavations in Santa Clara, San Juan Bautista, San Mateo, and Monterey Counties; Directed the excavation of a previously unrecorded site at Año Nuevo State Park in collaboration with the Amah Mutsun Land Trust and the California Department of Parks and Recreation; Fieldwork included sixteen participants from the University of Oregon and twenty-six from the Amah Mutsun Tribal Band and Land Trust, including twenty-

four Tribal members.

Director, Coastal Archaeology, Zooarchaeology, and Proteomics Laboratory (2022-Present): Department of Anthropology, University of Oregon, Eugene, OR.

Principal Investigator/Field Director, Archaeology of the Hastings Natural History Reservation (2021-present): Working in collaboration with the Esselen Tribe of Monterey County and the Hastings Natural History Reservation, University of California, Berkeley we conducted field survey and excavations to provide relevant eco-archaeological information to guide contemporary resource conservation.

Director, Coastal Archaeology, Zooarchaeology, and Proteomics Laboratory (2019-22): Department of Anthropology, Michigan State University, East Lansing, MI

Principal Investigator/Field Director, Central California Coast Archaeological Field Research (2019-Present): Directed archaeological excavations along the San Mateo County coast; Directed the excavation of the Butano Mound (CA-SMA-184); Directed the excavation of CA-SMA-19 within Año Nuevo State Park in collaboration with the Amah Mutsun Tribal Band and California State Parks.

Far Western Anthropological Research Group, Inc. (2019-Present): Conduct specialized ichthyological analyses for the cultural resource management firm and write cultural resource management reports for clients and agencies.

Zooarchaeologist (2018-Present): Paisley Caves, Northern Great Basin Prehistory Project, University of Oregon

Zooarchaeologist (2018-2021): Connley Caves, Northern Great Basin Prehistory Project, University of Oregon

National Science Foundation Graduate Research Fellow (2017): Department of Anthropology, National Museum of Natural History, Smithsonian Institution, Washington, D.C.

Field Supervisor (2016-17): Santa Cruz Coast Archaeological Survey and Field School, University of California Berkeley, CA

Zooarchaeology and Ichthyofaunal Apprentice (2016-19): Gobalet Laboratory and Osteological Collection, San Francisco, CA

Research Supervisor (2015-19): California Archaeology Laboratory, University of California Berkeley, Berkeley, CA

Field Supervisor (2015): Point Reyes National Seashore Archaeological Survey and Field School, University of California Berkeley, Berkeley, CA

Zooarchaeology Apprentice (2015): Zooarchaeology Laboratory, University of California Santa Cruz, Santa Cruz, CA

Research Supervisor (2014-2019): Zooarchaeology Laboratory, University of California Berkeley, Berkeley, CA

Field Crew (2014): Northern Great Basin Prehistory Project, University of Oregon, Eugene, OR

Lab Assistant (2014): Coastal Archaeology and Human Ecology Laboratory, University of Oregon, Eugene, OR

Indigenous Archaeology Intern (2013): The Confederated Tribes of Grand Ronde, Cultural Resource Department, Grand Ronde, OR

Archaeological Surveyor (2011-2012): United States Forest Service, Willamette National Forest, McKenzie Bridge, OR
